## SERVICES WE PROVIDE

### NEW/PRE-OWNED FURNISHING

Monarch Office Furniture provides high-quality new and pre-owned commercial grade office furniture. Utilizing Monarch's pre-owned products and new furniture purchases our sales team can quickly get any business up and running.

### OFFICE SPACE PLANNING

Whether a company is refurbishing an existing workspace or designing an entire facility, we provide personalized service from consultation to installation. While working with Monarch, every client has access to personalized consultation.

### RETROFIT AND REDESIGN

Monarch Office Furniture can help clients modify an existing layout to accommodate shifts in their workforce, a move to a new location, or updating FF&E.

### DELIVERY AND INSTALLATION

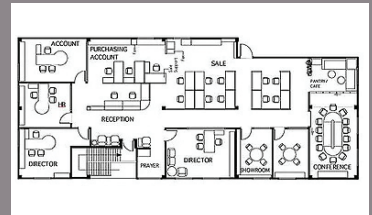

Our experienced delivery and installation teams will ensure that each piece and part is connected and in place.

### OFFICE FURNITURE LIQUIDATION

If a company is downsizing, upgrading, remodeling, or relocating Monarch can help make that process stress-free from initial bid to final removal.

### OFFICE FURNITURE RENTAL AND LEASING

Whether a business needs to fill an entire office for a year or a guest area annually, renting over purchasing may be the better option. Monarch offers short or long-term rentals.
